

## FUNERAL COLLECTION POLICY

All collections taken up in parish churches are vested in those churches. The PCC shares Christ's concern for the needy and underprivileged and much of the funds raised are redistributed to good causes. With respect to funerals taken in church, the Parochial Church Councils of St Matthew's, Leyburn, and St John's, Bellerby, have agreed to permit one half of all collections at funerals to be donated to such UK registered charities as shall be determined in consultation with the next-of-kin of the deceased.
